

Dayton  
Monday

Dear Vicki & Jim,

I expect you're busily  
proceeding with "settling in"  
this morning - Or did Jim  
have to appear at work?  
probably so - So that leaves  
you, "Vicki" <sup>the</sup> - TV news said  
it would be warm & humid  
back there - it's actually that  
way here too - ! Yesterday was  
very hot - Didn't hear what  
the temp. was but in the  
high 90's I'm sure - Then  
we had a little thunder &  
lightning about 4:00 this a.m.  
and a little bit of rain -  
But now the sun is out  
and the air conditioning in the

office feels pretty good.

I trust you had a good time in Chicago with your friends.

Ken and Debbie spent the weekend with us - came about noon on Saturday and he tried to fix his car - it heats up - and after he worked on it awhile (hoping it was fixed) she went on out to her folks - then they went to a wedding in the evening & found out it wasn't fixed yet - So yesterday he put in a "kornmode" gasket & they went boating on the Willamette - So he didn't know if it was ok yet or not when they went home last nite. - He hadn't received your package yet but had the letter - in enclosing your #3 - Hope the "bite" didn't cause you any trouble on your trip - Write when you have time and tell us more about your trip. Love, Mom.
